Hola Amigos! I've never left the DSM area, and have been working in Insurance companies for the past 18 years. I'm presently working at Farm Bureau in WDM. Four years ago, I opened my own business, and in March 2006 I moved into my own office (working there eves and weekends). I am a certified targeted-small business for the State of Iowa, & the name of may company is, La Bilingue, LLC and I'm located at 4603 SW 9th St DM, IA 50313. I have a multi-faceted translation services company (English & Spanish). I do taxes, ITIN filings, notary service as well as I'm a Interpreter & Translator. My goal is to move & do my own work in my own business (all the time!!), and step by step, I'm attaining my goal. So fellow classmates, if you have need for my services, I would be honored to assist you, and your business. Please stop by & see me sometime!! At this time I am not married, and I have 1 son, Matt Kiley who is 24 years old, an he's a wonderful young man!! Life is great, and I'm looking forward to our reunion in August & seeing everyone there. God Bless!!

I have been married to Linda for 25 years and we have two children Andrew and Melinda. We have lived in South Des Moines since we were married. I have been in construction related businesses since high school, even during college. I currently am a project manager for Mid-Iowa Environmental and was also just appointed as a less than fulltime pastor of Miller United Methodist Church here in Des Moines.

Hello.. Tigers, hope everyone gets their colors on for our 30th reunion. I'm happy to be hosting this years party @ the DM Rugby Clubhouse. It's just 1 mile south of VHS on 39th. The clubhouse is first class/new and has a two tiered deck overlooking 10 acres of beautiful maniqured grounds next to Jorden creek& bike trail. The sunsets are usually perfect. Bring along your kids and dogs if you like, there's lots of room.

I took my sister Julie and my girlfriend Mary Stavish, VHS 75' to their 30th reunion, great time.

I'll be at the clubhouse @ 2:00 to unlock the doors. Feel free to bring any cool old stuff and help decorate! We already have XM radio set up for 70's music!!!

I can't exactly say things have been fabulous or wonderful as some of you have been describing the last 30 years. But I have learned that...Life is too short and attitude can be everything. For me, still married (20 years now) to Richard (VHS'61) and living in DSM. We have two daughters; Carman (TRHS'05) and Danielle (TRHS'06). Both attending DMACC and pursuing futures in elementary education. I also have a step-daughter Audra (AHS'87) (married to Bill) and two step-granddaughters; Kendra (17) and Meredith (13). Currently working two jobs; full-time in Customer Service and Sales at Grace Label and part-time at The Charm Connection at Valley West Mall. And selling Pampered Chef when I can keep a show booked with the hostess. My spare time (what's that?) is spent with my family, scrapbooking, an occasional bike ride and volunteering-mostly with the Make-A-Wish Foundation, now that the girls are out of school.

I live in West Des Moines, but on the Dallas County side so my children attend Waukee schools. I have two children, Robbie 15 and Katie 12. We will enjoy a new rivalry next fall when Waukee joins the CIML and gets to play Valley. I am married and still working at Montessori Children's House teaching a full day class of 3-6 year olds. Our family enjoys attending Iowa State games. I am looking forward to the reunion.

My husband and I will be married 27 wonderful years this past June, we have 6 children. Isaac, Solomon, Rachel, Abraham, Samuel and Ruth. Ages from nearly 16-25. We lived in the greater DSM area most of our married life, but moved to California 6 years ago...My husband Andy is the president of Union Rescue Mission in downtown LA on skid row. I work full time as a nurse in Glendale, California. We like to spend our free time at the beach, biking and hiking and trying to stay fit as the years continue to roll on!! Jeff is 18 and heading to school in Colorado to study Vet Med. Drew is 21 and "living large" in New York City where is is very involved in TV and Film Production. He did say that someday he wants to raise his family in WDM, so we must have done something right! I am currently a Sales Manager with DexMedia/RH Donnelley and my wife Kim is a Program Assoc. for Behavioral Disability children at Western Hills School. She has had extensive training for this raising the boys and me! Can't wait to catch up with everyone....

I still can't believe it's been 30 years since we all graduated. I'm still living in the Des Moines area with my significant other of 7 years, Irv Johnson and our bichon Sabrina. Since I have no children just 3 nephews, a niece and 2 great nephews that I can spoil rotten and as Irv's children are grown we get enjoy our hobbies which are traveling and "old" cars and an occasional brew now and then. My father passed away a year ago April but Mom still lives in the "ole" homestead that I grew up in that is just blocks away from Valley. I have been with the State of Iowa (Revenue) for almost 27 years and working now as an Administrative Assistant and only have 8 more to go before I can retire not that I am counting. I will try to make it to the reunion but I will be out at the fair with a bunch of friends eating all that healthy food and enjoying the nice cold liquid refreshments.

I as did all of you graduate in 1976! I seem to remember we did alot of partying back then. After graduation I entered the military and joined the Air Force. I was in the Air Force from 1977 until May of 1992. I was stationed in England (twice), Nebraska, Maine, Ill., and New Mexico. I have been doing comncrete work since 1992. And am currently a foreman for a company out of Ames and FT Dodge. I am married and between my wife (Toni) and I we have 6 kids. I did attend the 20 year reunion and was desperatly trying to guess who everyone was. Looking forward to seeing some old friends and as we always did back in school, party!

Hi ! I'm looking forward to seeing everyone at our 30 yr. reunion! Since I saw most of you last, soon after our 20 yr. reunion, I was diagnosed with advanced breast cancer. Although the road has not been smooth, I'm still here and doing fine. I enjoy being a full-time wife and mother. My husband, Greg, and I have been married for 24 yrs. and have three very active and involved children; "sports, sports, sports". Spencer, a Senior at Valley, Carter, a Freshman at Valley and Blaire a seventh grader at Indian Hills. Since I have always enjoyed cooking, I decided to challenge Iowa's finest cooks at the Iowa State Fair. Along with having fun I've also collected a few ribbons. I hope to see you on the 11th!

I am a widow with the good fortune of having a daughter out of my marriage. I have had the wonderful opportunity to work with her through school, Girl Scouts, 4H, Softball and all the while watching her grow into a young woman. She graduated from Grand View College with a Graphic Design Major and Photography Minor! As for myself, if you can't tell family is very important to me. I took time off to be a stay at home Mom and when I went back to work I started working for 3E and have been there for almost 10 years now. I am a member of the praise team at my church helping to lead songs every Sunday. It was something I had never done before(I was a Marchmaster!) I love to sing, just not up in front of everyone, so they had to talk me into singing upfront. I do have fun with it (now that I am getting used to being upfront) as we blend a little bit of both the old and new songs. My spare time is spent helping friends and family whenever needed.

This is going to be so great to reconnect with old friends again. I moved from Urbandale in '98 after meeting Ron Morris. We live in Alta (a town with fewer residents than the student population of VHS in '76) on one of the two golf courses here. So yes, I did take up the game. Ron's daughter, Katie, is with us in the summers. After her graduation from Cornell University this last May, she enrolled at Northwestern Univ for post graduate education in chiropractic medicine. Ron is still building houses, and I am still cleaning teeth. Golf, biking and volleyball are my recreation time-takers and vacations are always a welcomed break from the "little town". Looking forward to the 11th. As I recall, our tight class always found a way to have a great time!

I've been married 24 years to Tamy, who I met in college. I have one daughter, 22 and married, but I'm not a grandfather yet! After college, Tamy and I spent 14 years overseas in Puerto Rico, teaching and pastoring. We've been in St. Louis since. Tamy teaches Elementary school Spanish, and I'm a professor of English and TESOL at Saint Louis Christian College. It's hard to be a Cubs fan in Cardinal country. I hope to make the reunion.

When we're not working (which doesn't happen often), Sheri and I like to go out with friends, hang around the house, geek out on the computers, and travel. Most of my life since high school has been about family ... my wonderful husband Steve and our children: Jonah (VHS 98), Jeff (VHS 01) and Jenna (VHS 03) (and all Cyclones - yea! - although we are big Hawkeye fans too, as long as they're not playing the Cyclones!) My work as Exec. Asst. to the Assoc. Supt. of HR in the WDM Schools is very busy and fulfilling. I strive to "abide in faith, hope, and love" and remember to count my blessings (almost too many to count) more than my years ☺ I am REALLY looking forward to celebrating our 30th reunion in August! Why Should You Go To Our 30 Year Class Reunion - Mike's Top Ten List

1. Hair is over rated
2. No pop quiz at nights end
3. Life's not about things, it's about friends
4. I've never met a jerk at a reunion, jerks stay home
5. Wrinkles are sexy, let's see who has the most "sex appeal"
6. People Change, you'll never know how much unless you go
7. No one cares what you weigh, ...unless you show up in a bathing suit
8. If you didn't have fun in High School, the reunion is your best shot at a "do over"
9. Unlike most friends we make in life, friends from High School are friends for life
10. We can thank God together that we didn't go to Dowling.

Hi everyone! I live and work in West Des Moines, guess it's in my blood! I'm manager of an Orthopaedic Surgical Clinic but the most important hat that I wear is that of mother to our 18 yr. old daughter, Laura. She just graduated from VHS. Her father, Art, and I are very proud of her academic and athletic accomplishments. She's leaving in two weeks for college in Michigan and will run track and pursue a career, pre-med. This will leave me as a real "empty-nester" with just myself and our Yellow Lab, Chloe. I will look at this change as a "new chapter" and as an opportunity to embrace whatever life hands me next! I hope to see lots of 1976 graduates on the 11th.... I have no excuse to not be there as I only live about 5 blocks from the rugby field... Hmmmm, wasn't that the same property SOME PEOPLE went and partied in high school???? (I just heard about these things).... Or maybe it's because I was at (Lori) Ryan's "Woodsies" !!!! ;)

Our family has lived in Clive the last 10 years. When we aren't working (me at Wells Fargo Consumer Credit Group) or traveling for work, my husband, Dave and I attend our son's sporting events. Our oldest son, Paul, who just turned 20, will be a Hilltopper baseball player for Western Kentucky University this year. He'll be 725 miles away-thank goodness for live game feeds on the internet. That leaves us at home with our soon to be 15 year-old comic relief son, Grant. Grant will be a freshman at Waukee this year and enjoys playing football, basketball, baseball and running track. Hopefully by the time Grant is a junior or senior, Waukee will be able to compete with Valley. I think VHS won 20 State titles (or more) this year. I know our class was loaded with good individual as well as team athletics, but VHS broke all the records this year -amazing! I'm blessed, after 30+ years, to still have Jan Thieman, Jill Jacobs and Nadine Koele as close, dear friends. I'm looking forward to seeing everyone at the reunion. p.s. I love Mike Struck's Top 10 List, just hysterical.

I wasn't sure about the reunion until I read the Top 10 reason to attend the reunion by Mike Strick. now I'm in!!!! I live in Overland Park, Kansas with my husband Roger. We have been married 23 years and have 2 daughters Emilee 21 and Madeline 19. Emilee is a senior and Captain of the University of Nebraska swim team. Madeline is a sophomore at Iowa State and also swims there. It was hard to let her go to ISU as I feared that Iowa would find out and take my diploma back for letting my child go to ISU. However, that didn't happen and they both love their schools. Currently, I am a Senior Sales Representative for Sepracor Pharmaceuticals. It seems like I work all the time and my money just goes to collegs. I can't wait to see everyone and to catch up. See you soon!

I'm still in the area. Since 1980, I have migrated farther east. I am in a relationship, have been for 6 years. Still not married. Adopted my two great-nieces in 2002, they are 11 and 5. I envy all who had kids young. Work for the Ankeny Schools as the "dreaded lunch lady" during the school year and the summer with the kids. Hope to see everyone at the reunion. It'll be my first one.

My kids started watching That 70's Show. I don't know why....maybe for moral guidance. They ask "Is that what you were like back then?" And then my foreign-born wife asks "Is that what American high school was like?" I hesitate....too long and then plead the 5th. -Russ Ver Ploeg in DSM with 2 Roosevelt-bound daughters.

After many years in Real Estate and Construction decided to follow my passion and started Woody's Smoke Shack Championship BBQ and Catering. I do special events, bbq contest (been on the food channel), and catering for individuals and corporations. Can not make the reunion as I will be in Sturgis SD at the motorcycle rally. I am currently living with my husband and two sons in Glen Ellyn, Illinois, a western suburb of Chicago. We moved out of the Des Moines area in 2002. I manage the operations of a Life Insurance Company and spend most of my free time attending my childrens' baseball, basketball, football, soccer and wrestling events. I get back to Des Moines at least once a year to see my niece, Iowa Girls H. S. Cross Country champion, Sarah Wickman, run in the state spring track meets.

A lot has happened since '76. I married Merv (who I met in college) the day after we graduated from Concordia in Seward, NE. We have two children -- Nicole (age 21), just graduated from Texas A&M, and starting grad school at Univ. of Iowa. Chris (age 19), our son, is running track & cross country at Concordia Univ in Seward & will be a Soph. We've lived mostly in Minnesota and Texas, but just moved to Lincoln, NE in April. My husband is a Lutheran elementary school Principal. I was a Youth & Family Minister for 10 years in TX, on the Mexican border, doing lots of servant events in Mexico. Just got my Masters in Family Life. Currently, I have a home business. You can check out my website: www.4familyfreedom.com Now, that we're close, we're planning to come to the Reunion. See you there!
